

The good news is  
they all lead to us.

Turn to The Hanover and HUB International New England, LLC  
for this specialized program for medical practices.

Medical Practices have lots of different insurance needs but knowing where to turn can be confusing. HUB International New England, LLC can help. We've partnered with the Fairfield County Medical Association to deliver comprehensive insurance solutions including the full line of products & services you need.

- Business Owner's Package designed for Medical Practices—including a **special discount** for FCMA members
- Workers' Compensation—with an exclusive Dividend Plan
- Employment Practice Liability Insurance (EPLI)
- Management Liability—Directors & Officers (D&O)/Fiduciary/Fidelity Insurance

Under our new **Workers' Compensation Dividend Plan**, we return premium based on favorable loss experience. This is our way to reward our "best in class" customers. Dividends can go as high as 23%.

**Full line of coverage, less premium due to affordable rates—you can't argue with that.**

Bundle in the 160 plus years of insurance experience of an "A" rated insurance company and the exceptional, personalized service you can expect from HUB International New England, LLC, and we think you're headed in the right direction.
